

Society for Conservation GIS

SCGIS Organizational ArcGIS Online Accounts

All active SCGIS members are entitled to a free organizational ArcGIS Online account ([Creator level](#)), a \$500 value. Organizational accounts provide access to a variety of advanced features not available for users of free accounts. These include the ability to:

- Create and join groups within the SCGIS organization
- Share content with the SCGIS organization and with groups in this organization
- Publish hosted feature layers, tile layers, and scene layers*
- Geocode addresses*
- Use Spatial Analysis, Network Analysis, and Elevation Analysis tools online*
- Use GeoEnrichment and access premium demographic map layers*
- Get access to Esri Living Atlas Subscriber and Premium content
- Use additional online products including Web AppBuilder, Insights for ArcGIS Online, and Operations Dashboard for ArcGIS

* Uses credits: each SCGIS member is provided with 100 credits per year. (Please see [additional information](#) on credit usage, and the [ArcGIS Online FAQ](#) for further information.)

Note that the capabilities described above are only available for active SCGIS members; accounts will be temporarily disabled if membership is not renewed.
